by so doing it will not interrupt your visit at Ephrata you know they are only a very short and pleasant ride from Chatham Station — at which place they will meet you —

I am very much rejoiced that you propose a visit there It was my privilege to be with them for the few last days that the precious Spirit of their dear departed one clung to its pain tenement It is only a parent that could appreciate or comprehend the heart-

My Dear Friend

I learn by
our friend A. H. Dowda
that you have in prospect
a visit to the Catskill-
Mountains, via Ghent
& will give us great pleas
could you extend your visit
to our City - I suppose it
would be the first time you
has come in this direction
& may add to the interest
of the trip to spend a little
time in our Ancient City
and take the morning
boat in season for the con-
-veyance to the Mountain
